## Topics

### **Retaining Employees in a Revolving Door World!**

67% of all employees are looking for another job! Are yours? Headhunters can't steal employees who feel honored, respected, and valued in their present situation! What are you doing to protect your most valued asset?

### **Text Me, Fax Me, Call Me... WHAT?**

Gen Y, Gen X, Baby Boomers – how can they all get along? Avoid communication disasters and misunderstandings! Whether you prefer to “drop me a line” or “meet me on line” there's hope for understanding the multi-generational workplace.

**Extraordinary Teams, Extraordinary Results!:** Extraordinary Teams can be recognized by their highly functional behaviors as well as their extraordinary results! Does your team have what it takes to move beyond ordinary to EXTRAORDINARY?

**The Power of Resiliency:** Life is what happens when we're busy making other plans. The universe has a sense of humor all its own -just when we think we have it all figured out along comes LIFE. This message proposes the power of a personal mission statement, strong values and the "upside of the downside."
